Re: State Universal Service Support of Basic Local Service
Included in a Bundled Service Offering or Contract
Offering
Docket No. 2009-326-C

Dear Mr. Terreni:

On July 31, 2009, the hearing officer in the above-referenced matter directed the parties of record, including the South Carolina Telephone Coalition (the "Coalition"), to state and file their position on the issue in this docket in writing or electronically with the South Carolina Public Service Commission (the "Commission") within ten (10) days of receipt of notice from the Commission of the establishment of the new docket, and to serve their position on all established parties to the docket.

The Coalition received notice of the establishment of the new docket on August 10, 2009. The Coalition respectfully submits that its position is that carriers of last resort who provide basic local exchange telephone service should receive State Universal Service support when the basic local service is included in a bundled service offering or contract offering.

Very truly yours,

Margaret M. Fox
